

REMARKS/ARGUMENTS

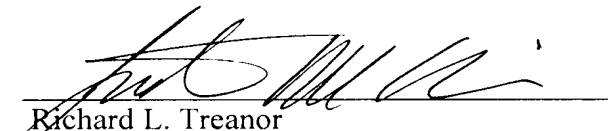

In response to a discussion between Applicants' representative and Examiner Webb on February 9, 2011, wherein the Examiner indicated that the specification is objected to for not including a Brief Description of the Drawings for all 21 Figures, Applicants have made the above-identified amendments to the specification.

Support for the amendments can be found in the Figures themselves, as well as page 3, lines 21-23, and pages 11-14 of the specification as originally filed. No new matter has been entered.

Passage of this application to issue is respectfully requested.

Respectfully submitted,
